Survival Kit

Contents:

- 1) Reflective Glasses: To hide your eye rolling at Jeff Gaston's Posturing and Self-aggrandizement.
- 2) Sippy Cup: Wendy has a juice box in her kit. In case Jeff has a fit trying to get the straw in the box, you may want to pour it in this sippy-cup.
- 3) Blanky: Jeff may need a comfort blanky if ANYONE challenges him on ANYTHING. Yikes. He might need a nap.
